GUI Competition Updates

As we go to press, a number of our teams have made good progress in the GUI Competitions. The All Ireland Fourball Team have progressed to the 4th round and were drawn against Warrenpoint for a place in the quarter finals of the competition. We won the first leg at home 4-1 with the away match scheduled to take place on Sunday 3rd July. The Junior Cup Team, having progressed through the qualifying competition, defeated Bangor in the first knockout stage to set up a match with Ballyliffin. This was played at Moyola Park Golf Club on Sunday 26th June resulting in a 4-1 victory for Carnalea which sees us take our place in the Quarter Final Draw.

The Holt Shield Team, playing on a league basis home and away, comfortably qualified topping their group. They now look forward to the knockout stage.

In the ILGU competitions, the Ladies Intermediate Cup Team continue their good run. They have played the home leg of their match with Dunfanaghy and fared very well. The return match will be in early July and if they win there, they will be through to the Quarter Finals.

Wine & Cheese Evening

A Wine and Cheese evening will be held in the Ailsa Craig suite at 7 pm on Friday 29th July sponsored by our wine company Dillon Bass. Experts from Dillon Bass will be present to give a detailed description of a selection of our wines and answer any questions, followed by entertainment in the main lounge to round of what should be a fun evening.

Greens

Stuart is well on his way to recovering from his recent operation. A trainee green-keeper has been appointed following the resignation of the deputy head green-keeper; the latter post has not yet been filled. The condition and playability of the course continues to improve. Members are reminded that the green-staff have priority on the course, during the working day Monday to Friday, to carry our essential maintenance and should not be approached by players for carrying out their duties.

Gareth Duffy Memorial Golf Day

Despite the inclement weather on Sunday 12th June, there was a tremendous turnout both on the course and in the Clubhouse for this very popular charity fundraiser. A sum in excess of £2,500 was raised for cystic fibrosis and the Vice Captain Bernie Duffy and Captain Roy Beattie are pictured alongside Lesley Lynn, Colin Dill and Robert Vannucci presenting the cheque to Professor of Chest Medicine at Queens University Belfast, Stuart Elborn. A bar take in excess of £4,000 was also a significant boost to the club's coffers. Well done to everyone who gave so generously and those who were involved in organising the day which was a huge success.

Carnalea Fundraising Cabaret Night

At the end of May a very successful Fundraising Cabaret Night was held in the club before a packed audience who were royally entertained by Springwater Revival with guests including Gene Fitzpatrick, Crawford Bell, Wynn James, George Jones and Maureen Summers (past Captain Jim Murphy's better half). Some highlights published below and if rumours are to be believed, keep your eyes out for a possible reunion down the line ... tickets will go like hot cakes ... you heard it here first!

Memory Lane Competition

Our Bar Manager Robert Vannucci dusted down some photos from the past which are reproduced below. The first person to identify all of the individuals correctly will win a free drink courtesy of the Club Captain.
