Liverpool Supporters Club

The Liverpool Supporters' Club welcomed Legends Terry McDermott, David Johnstone and Ray Clemence to their Annual General Meeting hosted in Carnalea Golf Club when a great day's golf and evening meal was enjoyed by all present.

Past Captain's Day Winners

The annual competition for past Captain's Day winners saw Derek Connolly pick up the trophy and first prize. Also pictured are the Captain Bernie Duffy and organiser Brendan Devlin.

Benefits of Golf Club Membership

With the recent influx of new members into the club through the introduction to Golf Scheme, your editor took the opportunity to research how they were finding the experience and what particularly the benefits were of being members.

Unlimited Access – being a member provides the opportunity to play when and as often as you like.

Play Competitive Golf – you can play regular official club competitions.

Choose How Much You Play – you can choose to play only 15 or 9 holes or less depending on how you feel.

A Great Clubhouse Environment – the clubhouse is a great place for eating, drinking and socialising with friends, offering excellent value-for-money especially with the discounted bar prices!

A Sense of Belonging – membership of the club is a great way to be part of the local community and network with other people from the area.

Meet New People – a chance to meet like-minded people, forming long term friendships.

Gain an official handicap – only by being a member of a golf club can you attain an official handicap, giving you the opportunity to play competitions at your home course and others.

Get your handicap down! – playing competitions regularly at Carnalea or in other Open competitions gives you the chance to get your handicap down – what most golfers are striving for throughout their life!

Play in Matches against other clubs – being part of a club, you have opportunity of representing the club in matches against other clubs, in your local area or further afield, whether you are a senior or junior, man or woman.

Invite Your Friends – the preferential 'Members' Guest Rate' green fees gives you the chance to invite your friends to play your course. By making this reciprocal among your golfing friends, you can play many courses at a fraction of the normal price

Rowley Society

The Society's autumn trip to Knightsbrooke Golf Club this year for Roy Gabbey's President's Weekend saw the Major Honours captured by Kirk McGregor (First Prize) and Roy Beattie (Spoon). Many thanks to Secretary Glenn Lindsay for all his hard work in arranging the trip and members are now looking forward to next year and celebrating the 60th Anniversary of the formation of the Society!

We managed to dig up from the archives, a photo of the Rowley Society celebrating their 30th Anniversary in Baltray back in 1987. Tommy Meredith, in reflective mood (or is it the Coleraine Whiskey?), looks just as sprightly today as he did 30 years ago but how many others can you name?

Sticking with the nostalgia, we unearthed this memorabilia from the 1964 Rowley weekend in Newcastle. The boys managed to slot in 54 holes in those days and why not with the prices they were paying! Mind you, the prize money on offer was commensurate with their expenses ...

Lady Captain's Charity: Assistance Dogs N.I. (ADNI)

The Lady Captain wishes to thank all who contributed to the overwhelming success of her Charity Day in September. Thanks to all the sponsors, especially 1st Prize from Duncan Sheds and 2nd Prize from Roe Valley Hotel & Golf Resort, to all who bought draw tickets, (£1,840), to everyone who sponsored Grainne's Head Shave (£2,050), to the 2 Jim's for keeping us entertained, to Ashleigh for making the Head Shave as painless as possible for Grainne, to the friends and family who travelled from far & wide, Limerick, Wexford, Tipperary, Dublin and Limavady, plus the online viewers from England, Germany and Australia! A huge thanks to the ADNI pups in training and their fosters who attended on the night. We now have the £5,000 that it takes to train one Assistance Dog. ADNI was set up in 2011 to train and provide assistance dogs for Children with Autism & People with Mobility Disabilities and is supported by Autism NI & Disability Action who aim to Improve levels of safety for children with Autism, increase freedom for both the child and the family outside the home, reduce stress and reliance on medication and enhance the development of social skills, self-esteem and self-confidence. The pups take 18 months to train at a cost of £5,000 with a five year waiting list currently (info@adni.org.uk)
