Breezes from the Lea August 2018

It's Time Doctors Prescribed Golf!

Heart Research UK is now urging people to play golf while another survey of golfers Finds that the game is saving health authorities millions of pounds every year. In the recent past, researchers at Sweden's Karolinska Institute found that being a member of a golf club could add three and a half years to an elderly person's life and that golfers live on average, five years longer than non-golfers. The Local Government Association said that doctors should offer overweight patients 'green space' prescriptions to get them exercising outdoors and Macmillan Cancer Support said one round of golf could be as good for you as a week's worth of exercise!

Holes-in-One

Congratulations to Colin Kirkpatrick for his Hole-in-One at the 3rd Hole in the Malcolm Cup. Well done also to Colin Crozier for his at the 13th in the Regent Palace Cup.

Catering

You may well have noticed the new style menus that have recently been introduced by our caterers; our House Convener would welcome feedback on the choices and prices contained therein. Please feel free to comment on these and any other aspects of the catering service directly by email to bernardduffy123@outlook.com or use the Suggestion Box in the main foyer. Please note that only signed comments posted in the Suggestion Box will be reviewed.

Junior Section

The Junior Section would like to thank those members who recently donated money towards the provision of Team Polo shirts for the Junior Teams. Furthermore, they would also like to thank Duncan Sheds for the sponsorship of dry fit outdoorwear. These garments, which will be made available for team members throughout the season, are a great asset to the Junior section and will be used for all team matches.

ILGU Competitions

The Ladies have been making excellent progress in this year's competitions with both the Junior Foursomes & the Minor Cup teams through to the latter stages of their respective competitions. The Junior Foursomes (pictured here) overcame Portadown, Omagh, Castlerock & Newtownstewart Golf Clubs en route to the Semi-Final stage where they will meet the winner of the Shandon Park/Malone tie. This will be played at Cairndhu Golf Club on 12th August.

The Minor Cup team has progressed to the Quarter Finals defeating Cairndhu, Clondeboye and Greenacres Golf Clubs along the way. They recently played Malone away in the first leg of the tie picking up 1 ½ matches and all to play for in the return at Carnalea Wednesday 1st August for a semi-final place. All support is very welcome for both teams.
