Captain's Day 2018

Tony Coyle's Captain's Day was a great success in all aspects when the weather was kind, the course was in fantastic condition thanks to our greenkeepers and the catering and bar services excelled. Once again it was an excellent weekend for takings behind the bar with everyone clearly playing their part!

Davy Reid's Sunhoggers' Day

Mervyn Devine was the overall winner at Davy Reid's Sunhoggers' Day and is pictured alongside the Captain and Davy receiving the trophy. Davy asked me to mention that John Lowe from Worcestershire Golf Club is a regular visitor to these events and would be delighted to host any Carnalea member(s) who may find themselves in the vicinity of the Club which is situated in the picturesque Malvern Hills (see picture opposite).

Fire Engines at Carnalea Golf Club

C'mon Brian, use a buggy like everyone else!

Carnalea Past Captains Association

The Past Captains held their annual golf and dining event in Captain's Week as usual on 2nd August when a good day was enjoyed by all with a healthy turnout. Immediate Past Captain Bernie Duffy played some scintillating golf partnered by current Captain Tony Coyle to extract the money from President Roy Bennett accompanied by Eddie Graham. Additionally Bernie's round was good enough to capture the Shield in his inaugural year in the Association.
