

WELCOME FROM THE JUNIOR CAPTAIN 2016

Being appointed as the Carnalea Junior Captain for 2016 is a huge honour. Firstly I would like to wish all the junior members a successful golfing season and hope that they enjoy the relationships that they will form not only throughout this year but for many years to come.

Hopefully we can build on the success of the Johnny Dickson and Sargaison Shield victories last year and with the help of the junior convenor and volunteers we as a section can provide a fun, enjoyable and successful learning environment for kids eager to improve their golfing skills.

As this year's Junior Captain I am committed to getting heavily involved with the development of junior golfers who with time will be representing Carnalea throughout North Down and beyond.

I not only wish this year to be a massive success for the junior section but hope all teams representing Carnalea have a successful year. I would like to give my support and wish our Men's and Lady's Captain the best of luck with their 2016 golf year.

Regards.
