Ladies Locker Room

The Ladies have recently undertaken a major DIY refurbishment of their Locker Room led by Grainne O'Malley and the results are pretty impressive. Well done ladies!

Defibrillator Awareness Training

Evidence suggests that where Automated External Defibrillators (AEDs) have been used, the outcomes are far more favourable for an individual who suffers from a heart attack than if it is delayed until the arrival of the emergency services.

The Club will hold a defibrillator awareness training session in the Main Bar area on Monday 4th February 2019 at 7.45 pm when all members are welcome to attend.

CLUBS APPROVE GOLF IRELAND PROPOSAL

After landmark votes at recent meetings, the Irish Ladies Golf Union and the Golfing Union of Ireland have formally approved the establishment of Golf Ireland.

The ILGU approved a special resolution at their AGM, while simultaneously the GUI Ireland passed a motion at a Special General Meeting. In the case of the GUI, for the first time in its history postal voting was permitted.

*Results: **GUI 94% in favour of the proposal ILGU 100% in favour of the proposal.***

It means the game of golf in Ireland will now, for the first time, have an all-inclusive governing body. Throughout the consultation period, the benefits of this have been acknowledged in terms of attracting funding and commercial partners, as well as providing a boost for the image of the game. Once established, Clubs will only have to deal with one body when it comes to handicapping, inter-club events, club supports and game development.

Carnalea's Got Talent!

A few of the new faces and stalwarts who graced the stage as Jim Burnside unleashed his Unlimited Karaoke Songbook. Billy croons as well as ever, Davy's working hard, Emma stole the show with 2 cracking numbers, Bernie gave it his best shot, Jimmy was in top form and the editor made an appearance!
