## Dutch National TV Broadcasting Service Visit to Carnalea

*Carl McClean, one of our local Councillors, was recently approached by Dutch TV who are making a documentary in North Down. It'll be shown on the Dutch TV National Broadcasting Service and the presenter is the country's best-known sports journalist. In carrying out their research, they were very impressed by the photos and videos on the Carnalea Golf Club Web Site and enquired about a spot of filming on the course. Naturally, we were keen to facilitate this in view of the fact that it will be broadcast on Dutch TV nationally and will offer excellent publicity for the club.*

*Trouble off the 9<sup>th</sup> tee box but these Dutch fellas do not give up easily and are expert in finding lost balls!*

*Editor: I spent some time with the Director, Presenter and Crew during which they were genuinely full of praise for the course and the views. They are strongly of the view that the programme will attract a number of golfers to the club in the future. They will be in touch with me when the documentary is televised with details of where it can be viewed which I'll publish in a future edition of the 'Breezes'.*

*Interestingly, although it hasn't yet been televised, we have a couple of bookings from the Netherlands this month. You may be interested also in a social media message I received recently:*

Gyuri Ifju 10:21 21/04/2019 *Hi. A couple of us from Budapest visited the course on Thursday. Just wanted to thank the guy in the pro-shop for a great welcome, and say that this is the most wonderful course! I hope more of us will visit next time!*

## Carnalea Golf Club Past Captains' Association

*The 43<sup>rd</sup> AGM of the Past Captain's Association was held in the Clubhouse on Friday 29<sup>th</sup> March 2011. Stephen Graham was elected Chairman and Roy Bennett Secretary/Treasurer. Following the meeting, the Association enjoyed an excellent meal and drinks in the Ailsa Craig Suite accompanied by the usual high quality service from our Caterers and Carnalea Bar Staff.*

## Leprechauns' Dinner & Prize Giving Night 🍀

*It has been the custom for the incoming Captain to have the Leprechauns Dinner as his first official engagement after his Inaugural Dinner so it was an honour to have the Club Captain, Gerry Morrow, attend and present the prizes. The prize giving was held in good humour, everyone gets a prize, but it was especially rewarding for the Captain to present his good friend Bernie Duffy with his and as you can see from the photo, it was smiles all round, with everyone else cheering him on. The trophy was well deserved and his name joined many other illustrious members to have held this coveted prize. The overall trophy "The Peoples Champion" was again won by D Walker with M Devine coming a very close second. The knockout cup was won by John McBrien and David Walker who admits that John must have had a sore back after carrying his partner for most of the round.*

**Please Note: Someone did not Rake the Bunkers this morning. This is at the 12th hole and we were the first ladies out. Some of the other bunkers were just as bad.**
