Visiting Hungary?

Editor: You may recall our story last month regarding our visitors from Budapest – update below ...

Hi Roy, my friend Andrew Adair told me that you'd included us in your monthly newsletter. That gave us a great feel-good factor- thanks so much! By the way, if any of your members are visiting Budapest and would like to play, I'm sure I can make some arrangements. Thanks again. Gyuri Ifju

Greens Update

We are currently working on our irrigation system, the front nine should be operational within the next week and the back nine a few weeks later. This will make watering the greens much more efficient. The new sand in the bunkers has been well received and has made them a lot more playable. I'm sure members will agree that the course is playing well and looking terrific. Well done to our greens staff.
