Annual Subscriptions 2020

Playing members' subscriptions will increase in 2020 as agreed at the October EGM. Full details will be published on our website in November for all categories of membership. There are a range of payment options for all categories of membership including cash, cheque, credit card, debit card or by monthly instalments via our 3rd party finance company V12. (V12 allow instalments over either 4 or 10 months and you can finance your total bill). This year, we are hoping to launch imminently a smartphone app which links directly to our club operating software – this app will allow you to see and pay your annual bill, see your bar card transactions/ top up your card, link to BRS, show you all your handicap detail and competition outcomes – a real all in one solution ! The option to pay online via pc or laptop will also be available using debit or credit card... full details will be provided for members in the coming weeks.

In respect of House Membership, there will be a restructuring of subscriptions to a standardised £120 (Inc. VAT) for all members under 80.

The Introduction to Golf Scheme will run once again this year, open to ladies and gents who have never been a full playing member of a golf club or those thinking of making a return to golf having not been a member of a golf club in the last 12 months. The discounted payment in year 1 is £395. It is not available to anyone who has been a playing member of Carnalea in the last 5 years. Full details will appear in the local press and on our web site. Carnalea was nominated in the 'Best Golf Club' section and while we were unsuccessful on this occasion it was a pleasing to be recognised and participate as one of the finalists.
