2020 Competitions: Stableford Opens, Senior Opens & 9 Holes

The Senior Opens will run once again this year, monthly on a Wednesday from April through to October. As a result of feedback from members, a number of whom are unable to play in the weekend competitions due to work and other commitments, the Club will introduce Open Stableford Competitions monthly on a Wednesday running from April to October. Full details on Carnalea, BRS & GUI websites. The 9 Holes competitions will continue as a feature during the year on selected Wednesdays.

Breezes from the Lea February 2020

Coming in 2020: World Handicapping System (WHS)

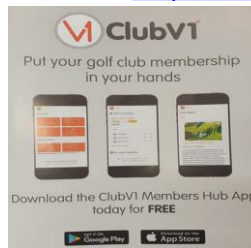

One Unified World International Handicapping System.

The World Handicap System (WHS) is ready to be launched from January 2020 and will provide golfers with a unified and more inclusive handicapping system throughout the world for the first time. Golfers will be able to transport their Handicap Index globally and compete or play a casual round with players from other regions on a fair basis. The WHS will encompass both the Rules of Handicapping and the Course Rating System. The Course Rating System sets out a consistent method of determining a course's difficulty

Though many countries have planned to adopt the new system from January, the system will go live in other parts of the world throughout the year to accommodate different implementation plans and variations in the golfing calendar. Under the current timetable, the system is expected to go live in the UK & Ireland during the Autumn 2020. More detailed information will be provided as it is made available and in the meantime you can read further at <https://www.randa.org/WorldHandicapSystem>

Club V1 Members' App

The 2 new apprentice barmen enjoying their training!

A new App, linked directly and securely to our Club Operating Software, is now available free to all members. The Club V1 Members App is an excellent application which provides you with valuable information in real-time:

- You can make tee bookings via a BRS link***
- See the course opening status (not before 8.00 am) including whether buggies are permitted, preferred lies, mats and temporary greens are in operation***
- View your bar balance and recent till transactions - You can even top up your bar card directly via a debit/credit card***
- Pay all future membership bills issued by the club from this point – e.g. the social levy due in July***
- Access to the members list whereby you can view and contact members (with their permission)***
- Edit your own profile and privacy settings including updating email addresses, change of address or telephone numbers***
- View the latest competition results, upcoming bookings, your handicap record and produce your handicap certificate***
- View statistics on your competition performances hole by hole***

The club can also keep the members up to date with club news and push notifications

You can access the Club V1 Members App by downloading the Android or Apple IOS app from the Appstore. Search for 'ClubV1 Members Hub' and in order to verify that you are a registered member of the Golf Club, you will be prompted to verify your membership information. The email address you log in with must match what the club has on record. Features are being added all the time to the hub and we will keep you updated on new developments.
